Clinical Trial Concept Development Workshop ***One-Day Intensive Workshop for UQ Researchers***

This hands-on workshop welcomes all UQ staff and Academic Title Holders eager to evolve **their current research** idea into a successful clinical trial

Workshop will be held in the **UQCCR Auditorium**
on Thursday 11th Dec 8:30am – 3:30pm and costs **\$50**

Join our experienced faculty, and dedicated workshop peers, to develop and refine your concept into a beautifully structured synopsis. This will be your first stepping stone to:

- effective consumer and community involvement
- optimised collaboration with other researchers/clinicians
- a highly persuasive grant application
- a flawless trial protocol
- a robust risk mitigation plan
- trial results with impact

Two Steps to Register

(1) Pre-work: Prepare and submit your draft clinical trial concept outline by following the instructions [here](#)

(2) After your outline is submitted, register and pay before Dec 8th deadline [here](#)
